

Bill 6
(Ontario Legislature)

Your Voice is Needed!

Social Assistance Rates for Ontario Works and ODSP (Ontario Disability Support Program) are set arbitrarily and at the moment are woefully inadequate to cover the costs of living. Paul Miller (MPP Hamilton East-Stoney Creek) has sponsored a private member's bill that would have an independent body recommend evidence-based rates based on REAL costs. The Association of Dundas Churches is encouraging us all to contact our MPP (Ted McMeekin) to voice our support for this bill. Call 905-690-6552 or write Box 1240, Watertown, ON L0R 2H0 or email tmcmeekin.mpp@liberal.ola.org.
